Hot Air Gun

TE-HA 2000 E

Item No.: 4520195

Ident No.: 21021

Bar Code: 4006825602678

The TE-HA 2000 E hot air gun from Einhell produces the correct temperature, be it for removing old lacquer and paint, for fitting plastic tubes, or for heating up metal on soldering jobs. This hot air gun is a tried-and-tested helper during various work steps requiring heat, be it 50° or as much as 550°. A large adjusting wheel lets you set the temperature to nine different levels, while a three-setting switch controls the air flow from 250 to 500 liters per minute. A cold setting caters for rapid cooling in order to change the nozzle. A flat surface is provided on the hot air gun for safe placement during stationary use. This product comes with a reducer, wide-jet, reflector and window nozzle.

Features & Benefits

- Large wheel for selecting 9 different temperatures
- 3-setting switch for controlling the air flow
- Cold setting for rapid cooling in order to change the nozzle
- Flat surface for stationary use
- Reducer nozzle, wide jet nozzle, reflector nozzle and window nozzle

Technical Data

- | | |
|-----------------------------|-------------------|
| - Mains supply | 220-240 V 50 Hz |
| - Power | 2000 W |
| - Temperature at setting 1 | 50 °C |
| - Temperature at setting 2 | 50-550 °C |
| - Temperature at setting 3 | 50-550 °C |
| - Airflow rate at setting 1 | 250 L/min |
| - Airflow rate at setting 2 | 250 L/min |
| - Airflow rate at setting 3 | 500 L/min |

Logistic Data

- | | |
|--------------------------------------|--------------------|
